

# Brington & Whilton Pre-school

A Registered Nursery Education Provider and a member of the Pre-School Learning Alliance

## Food and drink policy

### Statement of intent

Brington and Whilton Pre-school regards snack and meal times as an important part of the Pre-school's session/day. Eating represents a social time for children and adults and helps children to learn about healthy eating.

### Aim

At snack and meal times, we aim to provide nutritious food, which meets the children's individual dietary needs. We aim to meet the full requirements of The National Standards for Day Care on Food and Drink (Standard 8).

### Methods

- Before a child starts to attend the Pre-school, we find out from parents their children's dietary needs and preferences, including any allergies.
- We record information about each child's dietary needs in her/his registration record and parents sign the record to signify that it is correct.
- We regularly consult with parents to ensure that our records of their children's dietary needs - including any allergies - are up to date. Parents sign the up-dated record to signify that it is correct.
- We display current information about individual children's dietary needs so that all staff and volunteers are fully informed about them.
- We implement systems to ensure that children receive only food and drink that is consistent with their dietary needs and preferences as well as their parents' wishes.
- We plan menus in advance.
- We display the menus of snacks for the information of parents.
- We provide nutritious food at snacktime, avoiding large quantities of saturated fat, sugar and salt and artificial additives, preservatives and colourings.
- We include a variety of foods from the four main food groups:
  - meat, fish and protein alternatives;
  - dairy foods;
  - grains, cereals and starch vegetables; and

- fruit and vegetables.
- We include foods from the diet of each of the children's cultural backgrounds, providing children with familiar foods and introducing them to new ones.
- We take care not to provide food containing nuts or nut products and are especially vigilant where we have a child who has a known allergy to nuts.
  
- We require staff to show sensitivity in providing for children's diets and allergies. Staff do not use a child's diet or allergy as a label for the child or make a child feel singled out because of her/his diet or allergy.
- We organise meal and snack times so that they are social occasions in which children and staff participate.
- We use meal and snack times to help children to develop independence through making choices, serving food and drink and feeding themselves.
- We provide children with utensils that are appropriate for their ages and stages of development and that take account of the eating practices in their cultures.
- We have fresh drinking water constantly available for the children. We inform the children about how to obtain the water and that they can ask for water at any time during the session.
- We inform parents who provide food for their children about the storage facilities available in the setting.
- We give parents who provide food for their children information about suitable containers for food.
- In order to protect children with food allergies, we have rules about children sharing and swapping their food with one another.
- For children who drink milk, we provide semi-skimmed milk.

### *Packed lunches*

Children are required to bring packed lunches on Wednesdays and our staff:

- inform parents of our policy on healthy eating.
- encourage parents to provide sandwiches with a healthy filling, fruit, and milk based deserts such as yoghurt or creme fresh (petit filou) where we can only provide cold food from home. We discourage sweet drinks and can provide children with water or milk;
- discourage packed lunch contents that consist largely of crisps, processed foods, sweet drinks and sweet products such as cakes or biscuits.
- provide children bringing packed lunches with plates and cups and cutlery.
